

Enquiries after Results

At Blundell's the parents of candidates pay for all Examination entries and enquiries into results after the publication of the results. The opinion of the relevant Head of Department must be sought and once a decision has been made by the candidate and the candidate's parents, the Exams Officer is informed of the decision and the enquiry lodged. This cannot take place unless the form of consent has been signed by the candidate stating that any fees are payable by them and that they accept that the result may go down as well as up. Either parent or candidate may initiate an enquiry, but both must agree it should go ahead.

The form of consent will be sent in the end of term mailing, available via a link on the email containing the results, on the school website or from the main School Office.

The result of any enquiry is the property of the candidate and will be returned directly to their school email address or other email nominated by the candidate. This complies with JCQ regulations.
