

## Whole School News

It was lovely to welcome back so many smiling faces to school this week for the start of the Summer Term. I do hope that you had a good break over Easter and managed to enjoy some time with family and friends. As always over the holiday there has been plenty going on at school. You may notice that the remaining windows on the south side of Milestones House have been replaced and what a difference that has made to the building. The grounds staff have been as busy as ever, preparing pitches for cricket and rounders, setting up the 30 tennis courts and getting the pool up and running, ready for summer swimming. There is a great deal to look forward to and I hope to welcome you to many of the exciting events that lie ahead.

### Staff News

After 24 years of teaching at the school, Miss Jenny Purvis has made the decision to leave her post here at Blundell's Prep. As you will be aware, Miss Purvis has done a huge amount for the school over the many years that she has been here and her commitment to the children in her care has been exemplary. I know that her professionalism and kindness have been greatly appreciated by the many families who have seen their children benefit from her teaching and we will have the opportunity to recognise all that Miss Purvis has contributed to the school during the latter part of this term. We wish her all the very best for the future.

I am pleased to inform you that Mr Ben Martin will be joining us in September to teach English and Games in the Prep School to fill the position left by Mr Coomer's departure to take up a new post in Oman. Mr Martin joins us from West Buckland Prep School where he has worked for four years, teaching English, ICT and Humanities across Key Stage 2. He is also an experienced and passionate Games coach who will undoubtedly make a significant contribution towards our extensive Games programme here at Blundell's Prep. Mr Martin is very excited to be joining us and we look forward to welcoming him in September.
