

3-year Accessibility Plan 2017 -2019

Blundell's School including Prep & Pre-Prep

To support the School's Accessibility Policy (MP-03) a phased plan has been agreed, the detail of which is contained within this paper.

This plan sets out the proposals of the Governing Body to increase access to education for disabled pupils in the three key areas required by the Equality Act (2010):

1. increasing the extent to which disabled pupils can participate in the school curriculum;
2. improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
3. improving the delivery of information to disabled pupils.

It is a requirement that the school's accessibility plan is resourced, implemented, reviewed and revised as necessary and reported on annually.
