# PREP CLUBS

---

2021/2022

# INTRODUCTION

This guide gives a brief synopsis of each club, **many of which are free of charge**. Most clubs take place after school but there are a few in the mornings and some at lunchtime. Morning and lunchtime clubs are free of charge except Swimming, Funky Jazz and Tennis all of which need to be pre-booked using the request form. The other morning and lunchtime clubs are not available to request on the booking form but pupils will be told about them during the first few days of term and will be able to book with the relevant member of staff. Some of the music clubs are only open to those who learn the relevant instrument.

**Clubs run from 4.45 pm - 5.30pm**

**Extended Provision 5.30 pm - 6.00 pm**

**All children staying for clubs receive a light tea**

In the Years 3 – 6 commitment is expected for the year. Some of the clubs follow a programme which means that children will be required to attend regularly each week. Some clubs also have limited space. We would be grateful if parents could help their child to consider very carefully which clubs they would like to join.

## Ballet Years 3 – Year 6

Ballet is a fantastic way to learn how to move and control your body. It's often referred to as the foundation of dance, and it's easy to see why. It requires commitment and often gets the best results from more than one lesson a week. Practicing ballet can help improve posture and promote graceful movement. It's also incredibly strengthening and contributes to core strength as well as improving flexibility. Learning ballet is a great base to start to learn many other dance forms. Teachers are qualified by the Royal Academy of Dance and offer only the very best for our students at Blundell's.
