

Blundell's

PREPARATORY SCHOOL

PRE-PREP CLUBS

2021/2022

INTRODUCTION

Our extra curricular activity programme at Bundell's Pre-Prep contains a wide range of clubs and musical opportunities.

This guide gives an overview of the clubs on offer and a brief synopsis of each club, the majority of which are free of charge. Most clubs take place after school with a few at lunchtime. Clubs for the Pre-Prep are booked for one term at a time. This allows our younger pupils the chance to try a variety of clubs and also to build up (or down) the number attended. We would be grateful if parents could help their child to consider which clubs they would like to join as we would like a commitment for a term. Please carefully think about your child's day and tiredness levels. If they do not take part in a club one term they can join for another. Those clubs which are charged will appear on the following term's invoice and please note that those children who receive Early Years Funding will be charged £7 per night if they stay after 3.30 pm and £4 per morning if they use the early drop off before 8.30 am.

Clubs run from 3.45 pm - 4.30pm

After School from 4.30 pm - 5.30 pm

Extended Care 5.30 pm - 6.00 pm

All children who do not get picked up at 3.30 or 3.40 must attend a pre-booked club. After School care does not begin until 4.30 pm

AS AFTER SCHOOL **SD** SCHOOL DAY

AS Afterschool Care Nursery to Year 2

This is available from 4.30 pm – 5.30 pm and looks after those children unable to be collected at 4.30 pm. A sandwich/crudite tea is given to the children. These sessions need to be pre-booked but can accommodate children occasionally on an ad hoc basis.

AS Extended Care Nursery to Year 2

This is available from 5.30-6.00pm for those children who cannot be picked up at 5.30pm.

SD Ballet Nursery to Year 2

Ballet is a fantastic way to learn how to move and control your body. It's often referred to as the foundation of dance, and it's easy to see why. It requires commitment and often gets the best results from more than one lesson a week. Practicing ballet can help improve posture and promote graceful movement. It's also incredibly strengthening and contributes to core strength as well as improving flexibility. Learning ballet is a great base to start to learn many other dance forms. Teachers are qualified by the Royal Academy of Dance and offer only the very best for our students at Blundell's.

AS Bundles of Fun Nursery 1 & 2

An active club that will combine all fine and gross motor skill development, through hands on activities.

AS Buzzwords Year 2

Buzzwords is a club for children who love books, words and writing. There will be opportunities to write stories, make books, write poems, play games and generally have fun with words all in the calming space of our Library.

AS Computing Year 2

Children in Year 2 have the opportunity to join our successful Computing club in the Prep School with Years 3 & 4. In this club the children will have a chance to extend their knowledge and have fun with computers. They will also have the opportunity to build and program robots that do what you want!

BS Early Drop Off Nursery to Year 2

Your child can join others in the playground between 8.00 and 8.30am for an early drop off. At 8.30am the children will be escorted to their classrooms. Nursery children will play in their own playground at this earlier drop off time. Please pre book the days you will need so we can staff accordingly.

AS Funky Jazz Years 1 & 2

Funky Jazz is a relaxed and fun class. Within the lessons the use of free music (top 40 hits and Disney songs) allows our Funky Jazzers to be more individual and express themselves through movement and games. There is more to it than just Jazz Hands!

AS Games Years 1 & 2

This club takes a specific sport each term and concentrates on team work, skills and the rules. Perhaps the most important part of the club though is the emphasis on fun and the sense of joy in playing.

AS Go Outdoors Reception to Year 2

An opportunity to explore our grounds and enjoy outdoor based activities.

AS Judo Years 1 & 2

The children have expert instruction by a 4th Dan. They take part in gradings each term which allows the children to progress through the different levels of Judo. They also are invited to take part in the UBA championships each year.

MUSIC PROVISION 2021/22

Music plays an integral part of life at Blundell's Prep. This musical journey starts in the Pre-Prep with singing songs and rhymes in the nursery to playing in assembly and finally performing in the summer concert in front of our school community.

Individual Lessons Pre-Prep

To be advised (currently £16 per 20 minute lesson)

Music lessons are available to children in Years 1 and 2. Lessons are given by our team of peripatetic music teachers in the following instruments: Violin, Cello, Guitar (Year 2 only), Brass and Piano. These lessons give the children the opportunity to work with the teacher, developing their musical and performance skills and working at a pace which suits the child. Each lesson will be twenty minutes in length. Music books and instrument hire costs will be in addition to this.

Lessons take place in at times which ensure that the children do not miss their English and Maths lessons. Guitar (Year 2 only) and Piano lessons are individual. Brass, Cello and Violin Lessons may be either individual or group dependent on the uptake and the mix of children's level. This enables them to be placed in groups of similar ability. The charge will be pro rata of the full cost per lesson dependent on the number of pupils participating. Children may only learn one instrument while in the Pre-Prep.
