Reception to Year 2

Our extra curricular activity programme at Bundell's Pre-Prep contains a wide range of clubs and musical opportunities.

This guide gives an overview of the clubs on offer and a brief synopsis of each club, the majority of which are free of charge. Most clubs take place after school with a few at lunchtime. Clubs for the Pre-Prep are booked for one term at a time. This allows our younger pupils the chance to try a variety of clubs and also to build up (or down) the number attended. We would be grateful if parents could help their child to consider which clubs they would like to join as we would like a commitment for a term. Please carefully think about your child's day and tiredness levels. If they do not take part in a club one term, they can join for another. If your child needs to stay after 4.30 pm, they will need to be in a club beforehand. Those clubs which are charged will appear on the following term's invoice and please note that those children who receive Early Years Funding will be charged per night if they stay after 3.30 pm and per morning if they use the early drop off before 8.30am.

AS AFTER SCHOOL

AS Afterschool Care Nursery to Year 2

This is available from 4.30 pm – 5.30 pm and looks after those children unable to be collected at 4.30 pm. A sandwich/crudité tea is given to the children. These sessions need to be pre-booked but can accommodate children occasionally on an ad hoc basis.

AS Extended Care Nursery to Year 2

This is available from 5.30-6.00pm for those children who cannot be picked up at 5.30pm.

AS Arts & Crafts Year 1 & Year 2

Each week, your child will have the chance to make, create and explore a variety of different mediums and resources.

AL Ballet Nursery to Year 2

Ballet is a fantastic way to learn how to move and control your body. It's often referred to as the foundation of dance, and it's easy to see why. Practicing ballet can help improve posture and promote graceful movement. It's also incredibly strengthening and contributes to core strength as well as improving flexibility. Learning ballet is a great base to start to learn many other dance forms. Teachers are qualified by the Royal Academy of Dance and offer only the very best for our students at Blundell's.

AS Coding Year 2

Coding club is a fun iPad-based club which will develop coding skills using the visual programme 'Scratch'. There will be lots of fun creating animated characters, videos and stories.

AS Drawing & Colouring Reception & Year 1

This is a relaxing club exploring different ways of drawing and colouring.

BS Early Drop Off Nursery to Year 2

Your child can join others in the playground between 8.00 and 8.30am for an early drop off. At 8.30am the children will be escorted to their classrooms. Nursery children will play in their own playground at this earlier drop off time. Please note that those children who receive Early Years Funding will be charged per morning if they use Early Drop Off.

AS Fiddle Time Fun Year 1 & Year 2

We are delighted to introduce a new club, 'Fiddle Time Fun Club', which is aimed at our Pre-Prep pupils in years 1 and 2. Mrs Smith and Mrs Cracknell will be taking these sessions, the aim of which is to introduce our younger pupils to the Violin through musical games and activities in a disciplined, supportive and fun learning environment. There will be a maximum of 8 places available for this club and these will be allocated on a first come first served basis.

AS Funky Fingers Reception to Year 2

This is a hands-on club, exploring many ways to improve fine motor control.

AS Funky Jazz Year 1 & Year 2

Funky Jazz is a relaxed and fun class. Within the lessons the use of free music (top 40 hits and Disney songs) allows our Funky Jazzers to be more individual and express themselves through movement and games. There is more to it than just Jazz Hands!

AS Games Year 1 & Year 2

This club takes a specific sport each term and concentrates on teamwork, skills and the rules. Perhaps the most important part of the club though is the emphasis on fun and the sense of joy in playing.

MUSIC PROVISION 2022/23

Music plays an integral part of life at Blundell's Prep. This musical journey starts in the Pre-Prep with singing songs and rhymes in the nursery to playing in assembly and finally performing in the summer concert in front of our school community.

Individual Lessons Pre-Prep

*To be advised (currently £16 per 20 minute lesson)

Music lessons are available to children in Years 1 and 2. Lessons are given by our team of peripatetic music teachers in the following instruments: Violin, Cello, Trumpet, Trombone for pupils in Year 2 only. Piano and Guitar for pupils in Years 1 & 2. These lessons give the children the opportunity to work with the teacher, developing their musical and performance skills and working at a pace which suits the child. Each lesson will be twenty minutes in length. Music books and instrument hire costs will be in addition to this.

Music lessons take place during school lesson times on a rotation and children may only learn one instrument whilst in the Pre-Prep.
