## **BLUNDELL'S CLOTHING AND GAMES KIT (GIRLS)**

The purpose of this list is to achieve a neat appearance for members of the School. It is intended to provide Blundellians with sufficient clothing for their needs, without incurring excessive expenditure.

The School Shop Team are Julie Hill and Felicity Newnes, they can be contacted on 01884 232316 or by email at [shop@blundells.org](mailto:shop@blundells.org). The Shop is open Mondays to Fridays 8.30am to 4.30pm and Saturdays 8.30am to 1.30pm term time only. During School Holidays the shop is available **by appointment only**. The School Shop currently stocks new and nearly new uniform for the Senior School, new Prep School uniform and from September nearly new Prep School items.

All reasonable care will be taken of pupils' clothing, but the School cannot accept responsibility for loss of items under the pupils' control. The School has an on-site laundry, which will deal with items of School clothing other than those requiring special treatment or dry cleaning. Boarders casual clothes are washed on-site. Flexi and Weekly-boarders uniform and games kit can be washed on-site but their casual clothes at home.

Please ensure that all clothing is returned to School in good repair, and that necessary dry cleaning has been done during the holidays.

All items of clothing must be **clearly marked with name tapes**, which may be purchased through the School Shop. The initials of the girl's House should follow her name. Shoes should be marked clearly, as should all other items of personal property. Towels should have a tape loop attached to the centre of one long side.

It is normal for pupils bring their own duvet and two covers **clearly marked**.

Blundellians wear polished black leather shoes.

Casual clothes are worn on School premises at weekends and in Houses at other times. They must be clean and in good order; and the School reserves the right to ban unsuitable items. They must be named.

In addition to the items listed overleaf, a number of other items may be required; e.g. for those in School teams; or for other activities requiring specialised clothing. These may be purchased from the School Shop, or added to the pupil's account which is billed at the end of term on the School bill.

Whilst the School will maintain clothing of boarding pupils during term time it remains the responsibility of parents to make regular checks on the condition and suitability of their daughter's clothing.

Boarders and regular flexi-boarders may bring their own hair dryer, radios, cassette players, a rug or mat, posters and personal effects. Facilities are available for making toast and hot drinks. Tea, bread, butter and biscuits are delivered to the House daily. Any other supplies you bring could be kept in a lockable tuckbox together with personal valuables if you wish.
